Print vivid color at one page per second.

C6010
Powered by **memjet**®

YOUR PRINTER SHOULD BE THIS FAST AND THIS COST EFFECTIVE. *The C6010 color office printer represents a new choice in office printing. Convert your office to color. Print color pages in one second, with low running costs, refillable tanks and using significantly less energy than laser devices.*
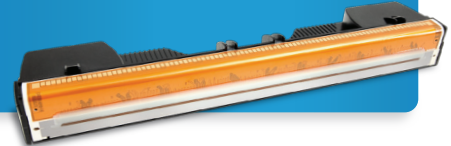

COST-EFFICIENT.

Time is money. You'll be amazed at how productive you can be when your high-quality color office documents are waiting for you. The C6010 cost-per-page is a fraction of color laser pages. Save additional costs by using authorized refilled C6000 Series ink tanks. Work with your reseller to save and return empty ink tanks and ask what's in it for you! **Combine the low acquisition cost of the C6010 with its low color cost-per-page and convert your office affordably to color.**

SUPER FAST. MEMJET™ FAST.

The C6010 printer prints at one page per second and at a 1600x800 dpi resolution, no matter what you print. Try printing edge-to-edge marketing materials, using the "borderless" setting in the printer driver. Print full-size business photos, quickly and conveniently. Use Memjet's high-density, page-wide printhead to print many times faster than any other device on your desktop and likely any other device in your office.

C6010 PRINTING SYSTEM

- One page per second color printing - A4 or US letter-size
- Memjet revolutionary page-wide printhead with 70,400 nozzles
- Up to 774 million dots per second
